

ATTENTION ALL YOUTH!

Introducing.....

KEEP's Pony Patches

- **What is it?** A program designed by the KEEP Youth Council to educate other youth around the state of Kentucky about horses. The program consists of four levels of questions and activities, plus a BONUS level. Upon ordering, each youth will receive a resource packet along with a set of questions. Once the youth answers the questions and completes the activities, he/she will send them back into the KEEP office to receive a patch. The patch, previously answered questions, and the questions for the next level will be mailed out. The patches for each level will go together to form the great state of Kentucky!

Note: Each youth will need access to the Internet to answer the questions.

- **Is there a cost?** Yes, there is a small cost of \$5.00 to cover expenses.
- **How do I take part in the program?** Fill out the form below and send into the KEEP office, along with payment. Your resource packet and first level of questions will be mailed out right away.
- **Do I receive any special recognition once I've completed the entire program?** Yes! Your name will be mentioned in KEEP's monthly newsletter, The Workhorse, as well as the bi-monthly youth newsletter, KEEP Kid's Korner.

******The first 80 kids to order KEEP's Pony Patches will receive a free copy of "The Dictionary of the Horse, an Equus Reference Guide"!!!**
